

Cleaning

BONA FLOOR MOP PREMIUM

A simple mop that is best used together with all Bona pads. For wet mopping, we recommend using the mop together with the Bona Microfibre Cleaning Pad along with cleaning detergent in a 1L spray bottle suitable for your floor. If you want to use the mop for dry mopping, use it with the Bona Microfibre Dusting Pad. When applying Bona Refresher for lacquered wood and parquet floors, use the mop with the Bona Microfibre Applicator Mop.
