

Technical drawing of a stepped profile. The profile has a total height of 60 and a total width of 18. The left side is divided into two vertical segments: a lower segment of height 8 and an upper segment of height 46. The bottom-left corner is rounded. The top-right corner is also rounded. The profile features a small rectangular notch at the top right and a small rectangular protrusion on the left side of the upper segment.
