

Woodura Planks 3.0

HITTARP 3.0 XXL

Hittarp is a pale, hardened wood floor with a hard wax oil surface. The Misty White shade has a modern touch, and the Nature grading provides a classic look of wood. Made from FSC-certified European oak, the hard wax oil surface has a natural structure that adds to this wonderful feeling of wood. Due to the maintenance required, we recommend oiled wooden floors in bedrooms and living rooms where there is less heavy traffic. The floors work equally well in busier areas but will require more care in those spaces.
