

Woodura Planks 3.0

STENESTAD 3.0 XL

Stenestad is a light, hardened wood floor with a hard wax oil surface in a classic Scandi-style. The Misty White shade is the perfect complement for any room, and the Rustic grading provides a lively and powerful sense of wood. Made from FSC-certified European oak, the hard wax oil surface has a natural structure that adds to this wonderful feeling of wood. Due to the maintenance required, we recommend oiled wooden floors in bedrooms and living rooms where there is less heavy traffic. The floors work equally well in busier areas but will require more care in those spaces.
