

## Woodura Planks 3.0

### LARVIK XXL POWDER WHITE 3.0

Larvik is a contemporary hardened wood floor. The brilliant Powder White shade has been paired with the Select grading, which is clean-looking and harmonious. Made from FSC-certified European oak, the brushed finish provides a natural wood feel – similar to oiled floors – but the finish makes the floors easier to clean and maintain. We recommend a brushed finish in all areas of the home.
