

# Woodura Planks 3.0

## BONNARP XL EARTH GREY 3.0

Bonnarp is a stylish hardened wood floor that's ideal for subtle tones. This stunning Earth Grey shade has been paired with the Nature grading, providing a natural color variation in the floor. Made from FSC-certified European oak, the brushed finish provides a natural wood feel – similar to oiled floors – but the finish makes the floors easier to clean and maintain. We recommend a brushed finish in all areas of the home.
