

Woodura Planks 3.0

LYNGBY 3.0 M

Type of wood  
Oak

Grading  
Blend

Surface finishing  
Brushed lacquer

Staining  
Misty White

Pattern  
Plank

Water resistance  
High

A room where you desire an air of elegance or want to add a modern touch. Misty White is a light colour that is flexible, functional and welcoming.

Specification

| GENERAL                 |                      |
|-------------------------|----------------------|
| Type of floor           | Hardened wood        |
| Type of wood            | Oak                  |
| Grading                 | Blend                |
| Surface finishing       | Brushed lacquer      |
| Staining                | Misty White          |
| Light/dark              | Light                |
| Pattern                 | Plank                |
| Locking system          | 5G Dry®              |
| Core                    | HDF                  |
| Microbevel              | long- and short side |
| DIMENSIONS              |                      |
| Format                  | M                    |
| Width                   | 151 mm               |
| Length                  | 2030 mm              |
| Thickness               | 9 mm                 |
| Thickness of wear layer | 0,6 mm               |
| PACKAGE                 |                      |
| Quantity in box         | 7                    |
| m² / box                | 2,149 m²             |
| m² per pallet           | 95,13 m²             |
| Weight per m²           | 9 kg                 |
| Weight per box          | 20 kg                |

| CLASSIFICATION AND SAFETY                 |                                               |
|-------------------------------------------|-----------------------------------------------|
| Supports Underfloor Heating               | Yes                                           |
| Water resistance                          | High                                          |
| Fire Resistance (EN 13501)                | Cfl-S1                                        |
| Thermal conductivity (EN 12664)           | 0,16 W/(m²K)                                  |
| Thermal resistance (EN 12667)             | 0.07 m²K/W                                    |
| Formaldehyde emission (EN 717-1)          | E1 <=0.1 ppm (typical value <= 0.05 ppm)      |
| Brinell hardness (EN 1534)                | 8 HB (average value)                          |
| Impact resistance (EN 14354)              | EC3                                           |
| Thickness swelling (EN 14354)             | <10% (5% typical)                             |
| Wear resistance (EN 14354)                | > 1000 cycles                                 |
| Slip resistance (USRV)<br>(CEN//TS 15676) | EU: With slider 55: 78 GB: With slider 96: 65 |
| FSC                                       | FSC Mix (FSC-C140725)                         |
| A+                                        | Yes                                           |
| M1                                        | Yes                                           |
| CE Marked                                 | Yes                                           |
