

# Woodura Planks 3.0

## GANTOFTA 3.0 XL

Gantofta is a rich-looking, matt-lacquered hardened wood floor that brings the authentic feel of wood into your home. Terra Brown is synonymous with nature, and the appropriately named Nature grading adds to this classic feeling of wood. Made from FSC-certified European oak, this class 33 product is extremely durable and ideal for busy spaces like hotels, shops, offices and cafés – or a heavily trafficked area of your home. The matt lacquered finish makes the floor easy to maintain while protecting it from stains.
