Vistorp is a powder white, matt-lacquered hardened wood floor in true Swedish fashion. The Powder White colour brightens up a room, and the Select grading adds to the clean and harmonious look. Made from FSC-certified European oak, this class 33 product is extremely durable and ideal for heavy-traffic spaces like hotels, shops, offices and cafés – or the entrance of your home. The matt lacquered finish makes the floor easy to maintain while protecting it from stains.
